Attorney for Defendant
Omar Jinesta

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA
(HONORABLE BARRY TED MOSKOWITZ)

UNITED STATES OF AMERICA,

Plaintiff,

v.

OMAR JINESTA (1),

Defendant.

Case No. 08CR0286-BTM

**STATEMENT OF FACTS AND
AND MEMORANDUM OF POINTS
AND AUTHORITIES IN SUPPORT
OF DEFENDANT'S MOTIONS TO:**

**1) Compel discovery and preserve
evidence; and
2) Grant leave to file further motions.**

STATEMENT OF FACTS¹

On January 5, 2008, Special Agent (SA) Matt Beals observed Martin Cunningham and Omar Jinesta, aka Ruben Gonzalez, shopping for firearms at a gun show in Yuma, Arizona. SA Beals observed Mr. Jinesta purchase multiple handguns from one Federal Firearm Licensee (FFL). Jinesta gave Cunningham the firearms immediately after purchasing them. SA Beals

¹Mr. Jinesta reserves the right to take a position contrary to the referenced statement of facts at the motions hearing and at trial.

1 observed Cunningham and Jinesta continue to shop while Cunningham possessed the firearms.
2 Cunningham and Jinesta eventually departed the gun show, while Cunningham was still
3 carrying the firearms Jinesta provided him with. Cunningham and Jinesta proceeded to the
4 parking lot where they entered a Honda Civic bearing California license plate 6AVF896.
5 Cunningham and Jinesta were eventually observed leaving Yuma, Arizona, heading west on
6 Interstate 8 toward San Diego, California.

7
8 At a California Department of Agriculture checkpoint located in Winterhaven,
9 California, SA Beals contacted Cunningham and Jinesta. Jinesta identified himself as Ruben
10 Gonzalez. Jinesta told SA Beals that he purchased five firearms at the gun show in Yuma,
11 Arizona. SA Beals conducted a consent search of the aforementioned vehicle that revealed five
12 firearms, to wit: three Walther, model P22, .22 caliber, pistols, serial numbers L195555,
13 L195717 and L198028, one Glock, model 17, 9mm pistol, serial nubur ZR605US and one
14 AMT, model Backup, .380 caliber, pistol, serial number DA5787.

15 On the same date as above, SA Beals reviewed the aforementioned firearms and
16 determined the Glock and Walther firearms were not manufactured in California. Therefore,
17 the firearms traveled in and affected interstate commerce by their presence in the State of
18 California. However, because Cunningham and Jinesta purchased the firearm in Arizona and
19 transported it to California, it too traveled and affected interstate commerce.

20
21 On the same date as above, a query of the National Crime Information Center (NCIC)
22 revealed that on May 27, 2003, Cunningham received a felony conviction for violating
23 California Health and Safety Code 11359 – Possession of Marijuana for Sale. Cunningham
24 also confessed that he plead guilty and was sentence in State court for the aforementioned
25 offense.

1 On January 7, 2008, a query of NCIC revealed that on August 4, 2003, Jinesta received
2 a felony conviction for violating Section 952 of Title 21 of the United States Code –
3 Importation of a Controlled Substance.

4 **I.**

5 **MOTION TO COMPEL DISCOVERY/PRESERVE EVIDENCE**

6 Mr. Jinesta moves for the production of the following discovery. This request is not
7 limited to those items that the prosecutor knows of, but rather includes all discovery listed
8 below that is in the custody, control, care, or knowledge of any “closely related investigative
9 [or other] agencies.” See United States v. Bryan, 868 F.2d 1032 (9th Cir. 1989).

10 (1) The Defendant’s Statements. The government must disclose to the defendant all
11 copies of any written or recorded statements made by the defendant; the substance of any
12 statements made by the defendant which the government intends to offer in evidence at trial;
13 any response by the defendant to interrogation; the substance of any oral statements which the
14 government intends to introduce at trial and any written summaries of the defendant’s oral
15 statements contained in the hand written notes of the government agent; any response to any
16 Miranda warnings which may have been given to the defendant; as well as any other statements
17 by the defendant. Fed. R. Crim. P. 16 (a) (1) (A). The Advisory Committee Notes and the
18 1991 amendments to Rule 16 make clear that the Government must reveal all the defendant’s
19 statements, whether oral or written, regardless of whether the government intends to make any
20 use of those statements.

21 (2) Arrest Reports, Notes and Dispatch Tapes. The defendant also specifically requests
22 the government to turn over all arrest reports, notes, dispatch or any other tapes, and TECS
23 records that relate to the circumstances surrounding his arrest or any questioning. This request
24
25

1 includes, but is not limited to, any rough notes, records, reports, transcripts or other documents
2 in which statements of the defendant or any other discoverable material is contained. Such
3 material is discoverable under Fed. R. Crim. P. 16 (a) (1) (A) and Brady v. Maryland, 373 U.S.
4 83 (1963). The government must produce arrest reports, investigator's notes, memos from
5 arresting officers, dispatch tapes, sworn statements, and prosecution reports pertaining to the
6 defendant. See Fed. R. Crim P. 16 (a) (1) (B) and (C), Fed. R. Crim. P. 26.2 and 12 (I).

7
8 (3) Brady Material. The defendant requests all documents, statements, agents' reports,
9 and tangible evidence favorable to the defendant on the issue of guilt and/or which affects the
10 credibility of the government's case. Under Brady, impeachment as well as exculpatory
11 evidence falls within the definition of evidence favorable to the accused. United States v.
12 Bragley, 473 U.S. 667 (1985); United States v. Agurs, 427 U.S. 97 (1976).

13 (4) Any Information That May Result in a Lower Sentence Under the Guidelines. The
14 government must produce this information under Brady v. Maryland. This request includes
15 any cooperation or attempted cooperation by the defendant as well as any information that
16 could affect any base offense level or specific offense characteristic under Chapter Two of the
17 Guidelines. The defendant also requests any information relevant to a Chapter Three
18 adjustment, a determination of the defendant's criminal history, and information relevant to any
19 other application of the Guidelines.

20
21 (5) The Defendant's Prior Record. Mr. Jinesta requests disclosure of his prior record.
22 Fed. R. Crim. P. 16 (a) (1) (B).

23 (6) Any Proposed 404 (b) Evidence. The government must produce evidence of prior
24 similar acts under Fed. R. Crim. P. 16 (a) (1) (C) and Fed. R. Evid. 404 (b) and 609. In
25 addition, Under Fed. R. Evid. 404 (b), "upon request of the accused, the prosecution...shall

1 provide reasonable notice in advance of trial... of the general nature” of any evidence the
2 government proposes to introduce under Fed. R. Evid. 404 (b) at trial. The defendant requests
3 such notice two weeks before the motion *in limine* hearing in order to give the defense time to
4 adequately investigate and prepare for motions *in limine* and trial.

5 (7) Evidence Seized. The defendant request production of evidence seized as a result
6 of any search, either warrantless or with a warrant. Fed. R. Crim. P. 16 (a) (1) (C).

7 (8) Request for Preservation of Evidence. The defendant specifically request the
8 preservation of all dispatch tapes or any other physical evidence that may be destroyed, lost, or
9 otherwise put out of possession, custody, or care of the government and which relate to the
10 arrest or the events leading to the arrest in this case. This request includes, but is not limited to,
11 any samples of narcotics to run any scientific tests, any narcotics, the results of any fingerprint
12 analysis, the vehicle which the defendant drove, the defendant’s personal effects, the global
13 positioning device and records and any evidence seized from the defendant or any third party.

14 In addition, Mr. Jinesta requests that the Assistant United States Attorney assigned to
15 the case oversee a review of all personnel files of each agent involved in the present case for
16 impeachment material. Kyles v. Whitley, 115 S. Ct. 1555 (1995); United States v. Henthorn,
17 931 F. 2d 29 (9th Cir. 1991); United States v. Lacy, 896 F. Supp. 982 (N.D. Ca. 1995); but see
18 United States v. Herring, 83 F. 3d 1120 (9th Cir. 1996).

19 (9) Tangible Objects. The defendant requests the opportunity to inspect and copy as
20 well as test, if necessary, all other documents and tangible objects, including photographs,
21 books, papers, documents, alleged narcotics, fingerprint analyses, vehicles, or copies of
22 portions thereof, which are material to the defense or intended for use in the government’s
23 case-in-chief or were obtained from or belong to the defendant. Fed. R. Crim. P. 16 (a) (1) (C).

1 Specifically, the defendant requests copies of all photographs in the government's possession
2 of the alleged narcotics. In addition, the defendant requests a copy of the form containing the
3 Miranda warnings allegedly read to him.

4 (10) Expert Witnesses. The defendant requests the name, qualifications, and a written
5 summary of the testimony of any person that the government intends to call as an expert
6 witness during its case in chief. Fed. R. Crim. P. 16 (a) (1) (E).

7 (11) Evidence of Bias or Motive to Lie. The defendant requests any evidence that any
8 prospective government witness is biased or prejudiced against the defendant, or has a motive
9 to falsify or distort his or her testimony.

10 (12) Impeachment Evidence. The defendant requests any evidence that any
11 prospective government witness has engaged in any criminal act whether or not resulting in a
12 conviction and whether any witness has made a statement favorable to the defendant. See Fed.
13 R. Evid. 608, 609 and 613; Brady v. Maryland.

14 (13) Evidence of Criminal Investigation of Any Government Witness. The defendant
15 requests any evidence that any prospective witness is under investigation by federal, state or
16 local authorities for any criminal conduct.

17 (14) Evidence Affecting Perception, Recollection, Ability to Communicate, or Truth
18 Telling. The defense requests any evidence, including any medical or psychiatric report or
19 evaluation, that tends to show that any prospective witness' ability to perceive, remember,
20 communicate, or tell the truth is impaired, and any evidence that a witness has ever used
21 narcotics or other controlled substance, or has ever been an alcoholic.

22 (15) Witness Addresses. The defendant requests the name and last known address of
23 each prospective government witness. The defendant also requests the name and last known
24
25

1 address of every witness to the crime or crimes charged (or any of the overt acts committed in
2 furtherance thereof) who will not be called as a government witness.

3 (16) Name of Witnesses Favorable to the Defendant. The defendant requests the name
4 of any witness who made an arguably favorable statement concerning the defendant or who
5 could not identify him or who was unsure of his identity, or participation in the crime charged.

6 (17) Statements Relevant to the Defense. The defendant requests disclosure of any
7 statement relevant to any possible defense or contention that he might assert.

8 (18) Jencks Act Material. The defendant request production in advance of trial of all
9 material, including dispatch tapes, which the government must produce pursuant to the Jencks
10 Act, 18 U.S.C. § 3500. Advance production will avoid the possibility of delay at the request of
11 defendant to investigate the Jencks material. A verbal acknowledgement that “rough” notes
12 constitute an accurate account of the witness’ interview is sufficient for the report or notes to
13 qualify as a statement under Section 3500 (e) (1). Campbell v. United States, 373 U.S. 487,
14 490-92 (1963). In United States v. Boshell, 952 F. 2d 1101 (9th Cir. 1991) the Ninth Circuit
15 held that when an agent goes over the interview notes with the subject of the interview the
16 notes are then subject to the Jencks Act.

17 (19) Giglio Information. Pursuant to Giglio v. United States, 405 U.S. 150 (1972), the
18 defendant requests all statements and/or promise, express or implied, made to any government
19 witnesses, in exchange for their testimony in this case, and all other information which could
20 arguably be used for the impeachment of any government witnesses.

21 (20) Agreements Between the Government and Witnesses. The defendant requests
22 discovery regarding any express or implicit promise, understanding, offer of immunity, of past,
23 present, or future compensation, or any other kind of agreement or understanding, including
24
25

1 any implicit understanding relating to criminal or civil income tax, forfeiture or fine liability,
2 between any prospective government witness and the government (federal, state and/or local).

3 This request also includes any discussion with a potential witness about or advice
4 concerning any contemplated prosecution, or any possible plea bargain, even if no bargain was
5 made, or the advice not followed.

6 (21) Informants and Cooperating Witnesses. The defendant request disclosure of the
7 names and addresses of all informants or cooperating witnesses used or to be used in this case,
8 and in particular, disclosure of any informant who was a percipient witness in this case or
9 otherwise participated in the crime charged against Mr. Jinesta. The government must disclose
10 the informant's identity and location, as well as disclose the existence of any other percipient
11 witness unknown or unknowable to the defense. Roviaro v. United States, 353 U.S. 52, 61-62
12 (1957). The government must disclose any information derived from informants, which
13 exculpates or tends to exculpate the defendant.
14

15 (22) Bias by Informants or Cooperating Witnesses. The defendant requests disclosure
16 of any information indicating bias on the part of any informant or cooperating witness. Giglio
17 v. United States, 405 U.S. 150 (1972). Such information would include what, if any,
18 inducements, favors, payments or threats were made to the witness to secure cooperation with
19 the authorities.
20

21 (23) Residual Request. Mr. Jinesta intends by this discovery motion to invoke his
22 rights to discovery to the fullest extent possible under the Federal Rules of Criminal Procedure
23 and the Constitution and laws of the United States. Mr. Jinesta requests that the government
24 provide his attorney with the above requested material sufficiently in advance of trial to avoid
25 unnecessary delay prior to cross-examination.

1 II.

2 **REQUEST FOR LEAVE TO FILE FURTHER MOTIONS**

3 Mr. Jinesta and defense counsel have received some discovery in this case. When new
4 information surfaces due to the government providing discovery in response to these motions
5 or an order of this Court, defense may find it necessary to file further motions. Therefore,
6 defense counsel requests the opportunity to file further motions based upon information gained
7 from discovery.
8

9 III.

10 **CONCLUSION**

11 For the reasons stated above, Mr. Jinesta moves this Court to grant his motions.

12 Dated: February 22, 2008

Respectfully submitted,
